

Titi & Tsaki Projects

Company Profile & Capability Statement

Catering, project management and institutional support services · Steve Biko Road, Pretoria, Gauteng, 0084, South Africa

COMPANY OVERVIEW

Titi & Tsaki Projects is a South African corporate food catering and fast-food service provider delivering premium-quality meals and exceptional service. We cater to corporate clients, institutions, public sector organisations and private events, offering reliable, efficient and tailored catering services alongside freshly prepared fast-food options. The company is appointed on regional government database tenders and bids, providing catering and logistical support services to bodies such as the Department of Public Works and the City of Johannesburg.

MISSION & VALUES

- Excellence — every plate reflects our standard of quality.
- Professionalism — uniformed, briefed and punctual service teams.
- Consistency — repeatable systems, not improvisation.
- Food safety — HACCP-aligned procedures and documented controls.
- Value — transparent, defensible pricing for procurement scrutiny.

SERVICE LINES

Service	Scope
Corporate & Institutional Catering	Daily staff feeding, boardroom lunches, conferences, training and AGM catering.
Fast-Food Service	High-volume quick-service meals, packaged takeaways and mobile service units.
Public Sector Contracts & Logistics	Catering and logistical support for departmental and municipal programmes.
Private Events	Weddings, launches and milestone functions with full service staff and setup.

PUBLIC SECTOR TRACK RECORD

- Department of Public Works — catering and logistical support for departmental programmes and official functions.
- City of Johannesburg — catering and support services for municipal events and community programmes.
- Listed on regional government supplier databases for catering, refreshments and event logistics.
